

AI UGC Video Ads

AI-generated “user-generated content” style videos that look and feel like real customers.

What you get

- 3-20 AI UGC videos per month (depending on your plan)
- Realistic on-camera “spokespeople” tailored to your brand
- Scripts written to sound like genuine customer stories
- Vertical formats for TikTok, Reels, Shorts, and Stories

Best for

- Testing new offers quickly
- Replacing expensive influencer shoots
- Adding social proof to your ads and landing pages

How it works

1. You share your product, offer, and key benefits.
2. We write UGC-style scripts and angles.
3. We generate and deliver ready-to-run video files.
